Nova Scotia Community College　　　　　　　　　　　　　　　　　　　Halifax, NS, Canada

Business Tourism (Diploma)　　　　　　　　　　　　　　　　　　　Sep 2018 -- May 2020
Nova Scotia Community College　　　　　　　　　　　　　　　　　　　Halifax, NS, Canada

Bachelor of Art (Visua; Communication Design)　　　　　　　　　　Sep 2012 -- May 2016
Xiamen University　　　　　　　　　　　　　　　　　　　　　　　　　　　　　China

PROJECTS:

Halifax Bus Tracker　　　　　　　　　　　　　　　　　　　　　　Sep 2023 -- May 2024
　　　　　　　　　　　　　　　　　　　　　　　　　　　Nova Scotia Community College
- Developed an application that trackes real-time data of all the Halifax buses on the road.
- Used Leaflet.js and geoJSON for mapping the bus locations.

Weather Forecast App　　　　　　　　　　　　　　　　　　　　　Sep 2023 -- May 2024
　　　　　　　　　　　　　　　　　　　　　　　　　　　Nova Scotia Community College
- Developed a weather application that delivered real-time weather details by city.
- Used JavaScript for dynamic content creation and handling API requests.
- Managed asynchronous HTTP requests efficiently with the Fetch API.

Camera Master Store　　　　　　　　　　　　　　　　　　　　　　　　　Feb 2024
　　　　　　　　　　　　　　　　　　　　　　　　　　　Nova Scotia Community College
- Developed a camera store application enhanced with a newsletter feature, offering a comprehensive platform for users to explore, search, and manage camera listings.
- Leveraged Express.js as the server framework to efficiently handle requests and manage server-side logic.

- Integrated MongoDB for data storage, using Mongoose to facilitate database operations, ensuring robust data management and retrieval.
- Built the user interface with React.js, enabling dynamic content rendering and interactive functionalities, enhancing user engagement.
- Implemented a newsletter subscription feature, collecting and managing user data to keep subscribers informed with the latest updates and offers.

EMPLOYMENT EXPERIENCE:
